# THE ILLUMINATED GOSPEL OF ST JOHN

CALLIGRAPHY AND ILLUMINATION  
BY JANE SULLIVAN

An exquisite fine art edition of St John's Gospel, illuminated by artist-calligrapher Jane Sullivan. Inspired by Celtic art and the illuminated manuscripts of the Middle Ages, this is a prayerful and sometimes playful piece of art as well as a unique presentation of this sacred text.

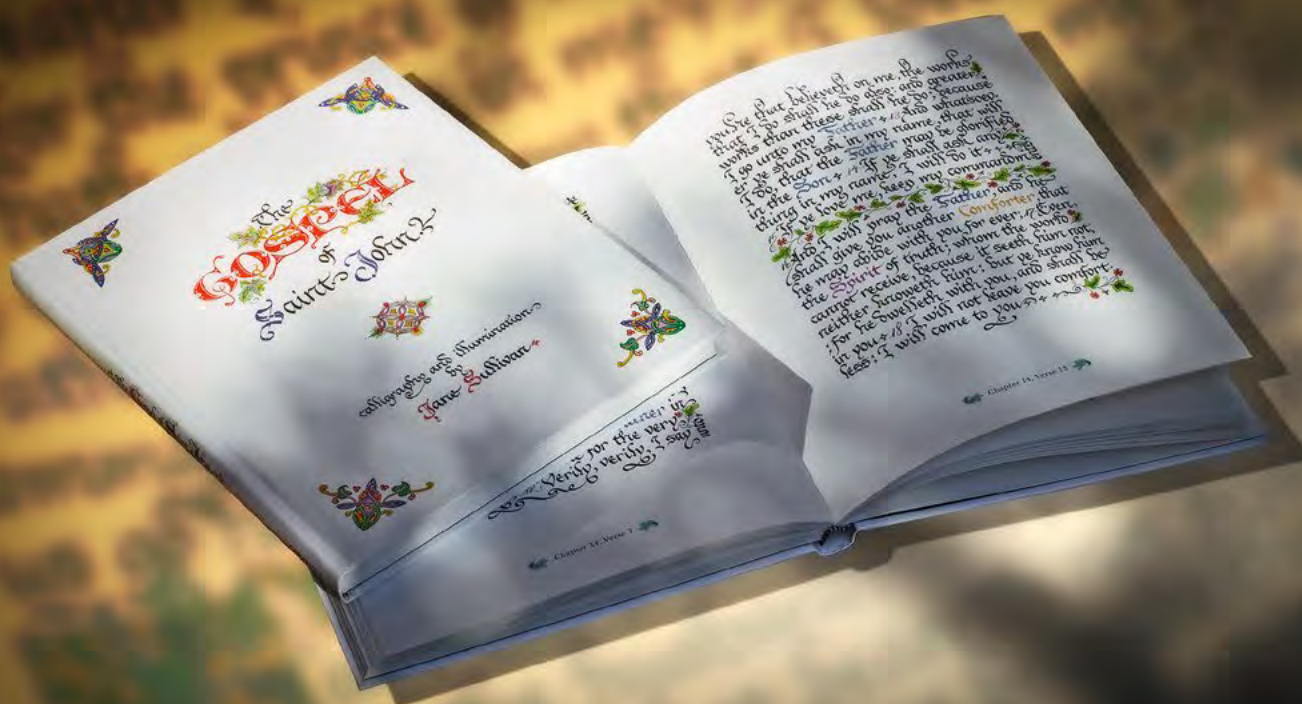

Following the majestic King James Version, the Gospel is beautifully handwritten in traditional calligraphic script, richly illuminated with original illustrations throughout.

A year in the making, every page of the Gospel's page is lavishly illustrated and represents a display of reverence for the text. As a 21st-century artist, Jane Sullivan brings together the medieval and the modern, using high-quality gouaches, inks and paper to create the artwork for the pages, which are carefully printed on premium wove paper.

The result is a book to delight both eye and soul, inviting all to discover, or rediscover, this most mystical of the Gospels.

# THE CAMBRIDGE FAMILY CHRONICLE BIBLE

WITH ILLUSTRATIONS BY GUSTAVE DORÉ

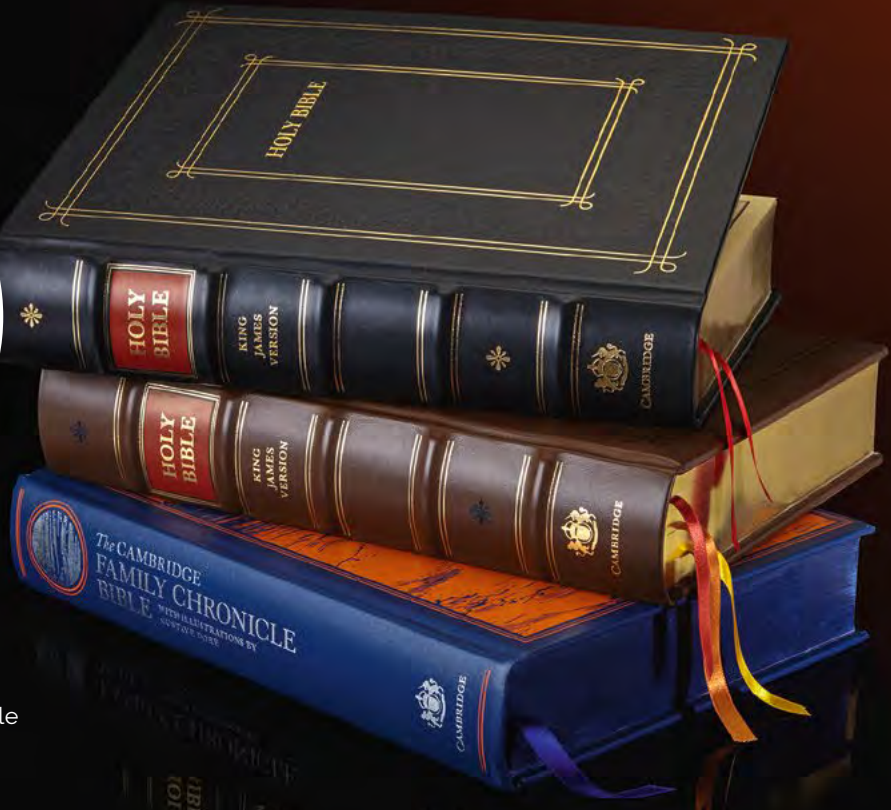

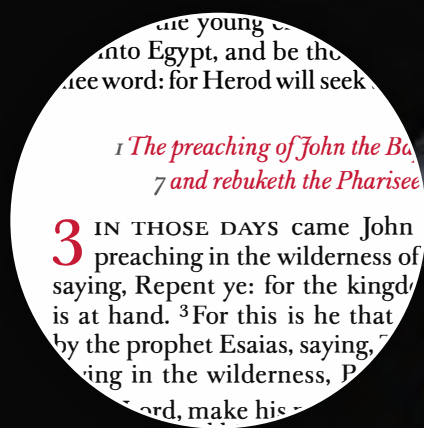

The Cambridge Family Chronicle Bible has been designed and produced as a Bible to enjoy for generations. It combines the best typographic design with the highest standards of printing and bookbinding.

The majestic text of the King James Bible is presented in a typesetting inspired by the legendary Baskerville Bible of 1763, and the words of Scripture are brought to life with over 200 engravings by Gustave Doré.

Drawing on the glories of the past, but also looking to the future, this Bible incorporates a unique 14-page Family Chronicle section, allowing owners to tell their family story to future generations just as their ancestors did in days gone by.

The Bible is printed on paper chosen for its strength and durability, and is bound in a choice of cloth and superior leathers. These large volumes are bound by hand, making them exceptionally strong and resilient. The leather Bibles pay tribute to traditional bookbinding style, with ornate tooling on the covers and raised spine hubs. The cloth Bible has a contemporary look, with dramatic metallic foil blocking.

**11** It happened when He had finished His teaching to His disciples that He said to them, "Do not be troubled by these things, for the hour is coming when all will be in confusion and will despise one another. For this will take place: first the law and the prophets will be rejected and despised, then they will kill the one who says these things to them, and they will persecute and will kill them, and they will hate them because they do not understand these things which are written in the Law and the Prophets: 'The Son of Man will be betrayed and will be killed, and after three days He will be raised up.' # CLARION

CREATED FOR CLARITY

The Cambridge Clarion takes its name from the medieval war trumpet, renowned for its clear and compelling call to arms. The word Clarion derives from the Latin *clarus*, meaning clear.

Every feature has been carefully designed to create a reading experience of exceptional clarity. Unlike standard Bible formats, the text is not divided into columns but runs right across the page, with cross-references in the outer margin. Rather than starting every verse on a new line, the Clarion sets the text in paragraph format to enhance readability.

The text employs a modern digital font which is clear and easy to read. This, combined with generous line spacing, delivers excellent legibility.

The size of print and lightweight paper mean this Bible is compact and easy to carry.

Using the highest quality materials, these Bibles are printed on India-style paper, and are fully sewn, making them not only beautifully flexible, but also resilient. They are offered in a range of superior binding styles.

“ A classically-proportioned single-column text setting with elegant, timeless typography in a hand-sized form factor, beautifully printed and bound. ”

# PITT MINION

Cambridge's original Pitt Minion Bible was published in the 1930s. It pioneered the use of Times Semi-Bold 421, a typeface designed by Stanley Morison, typographical consultant to Cambridge University Press and to *The Times* newspaper. He understood the need for Bibles to be printed in type that was legible, yet not so large as to make the finished book unwieldy.

Achieving this balance is just as important today: our contemporary Pitt Minion Bibles take their inspiration from the original edition and are greatly admired for being compact and portable, yet still easy to read. They use a digital font, Lexicon, that is efficient at fitting a lot of words into a limited space, yet also exhibits many of the qualities of traditional Bible typefaces. In this way, the Pitt Minion cleverly combines practicality with fine design and elegant form. Slim though it is, it provides a range of study tools.

The distinctive Pitt Minion design takes its name from the Pitt Building, built to house the Press and named after British Prime Minister and Member of Parliament for Cambridge University, William Pitt the Younger (1759-1806). *Minion* is a traditional term for a type size of approximately 7 point, giving text of 10-11 lines to the inch.

# AQUILA

WIDE-MARGIN

Named after the high and mighty eagle, the Aquila Wide-Margin Edition has extra-wide margins so owners can record their insights and understanding next to the Bible verses. There is a section of ruled paper at the back for more detailed notes.

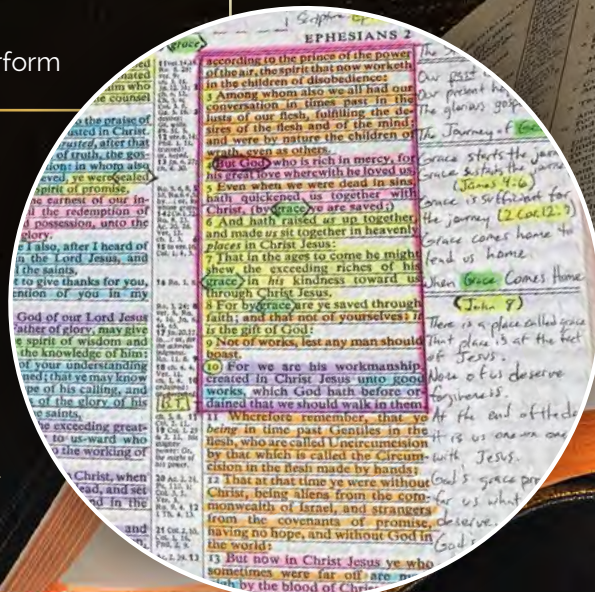

The paper is heavier than standard Bible paper and is designed for writing on.

The Aquila family of wide-margin Bibles comes in a range of contemporary Bible translations. The layout is an enlargement of the one used in the Cambridge Pitt Minion Edition so the wide-margin Bibles have the same layout and pagination but slightly larger text and they have the bonus of an expanded concordance to support advanced bible study.

# KJV CAMEO CENTENARY

Cambridge has been publishing the Cameo Bible for a hundred years. First produced in 1925 for letterpress printing, the Cameo has consistently been our most popular edition, highly esteemed for its elegant Petit Medieval Clarendon typeface as well as for useful features such as pronunciation marks, cross-references and a concordance.

The beauty of the Cameo is its solution to the age-old dilemma of providing readable type in a book of manageable size.

How are the mighty fallen, the weapons of war are numbered!

**CHAPTER 2**

**A**ND it came to pass after this, that David inquired of the LORD, saying, Shall I go up into any of the cities of Judah? And the LORD said unto him, Go up. And David said, Whither shall I go up? And he said, Unto Hebron.

So David went up thither, and his two wives also, Achinoam the Jezreelitess, and Abigail the Carmelitess, and his men that were with him.

In 2025 we are celebrating the centenary of the Cameo Bible with a special luxury binding style. The Cameo Centenary Edition will be bound in a full-grain calfskin cover, edge-lined with a full yapp.

The leather used for this Bible is the epitome of premium leather. Each hide is carefully tanned and dyed using a traditional vegetable tanning process which shows off the natural characteristics of the material. As such, every book cover is unique. Over time and with use, the leather gradually reflects the effects of its environment and the handling it undergoes. This is characterised by the development of a unique vintage patterning and 'feel' which blend with the dye and the grain of the hide.

Look out on our website and social media for details of this special edition.

“It is hard to conceive that a Bible of so convenient a size, thin and lightweight, could be produced with such beautiful print.”

# KJV CONCORD

The KJV Concord Reference Edition is highly regarded for its accuracy and clarity. It has been a popular and well loved setting for over 70 years on account of its classic and bold typography and helpful cross-reference system. Timeless and universal, it is one of our longest continually produced Bibles, giving newer generations the chance to own this esteemed edition.

This is a facsimile of the earlier Concord Bibles that date from the 1950s. Just like them, this edition uses the Times Semi-bold typeface, designed by the typographer Stanley Morison. This text is exceptionally clear and easy to read, with generous line spacing and the Concord also features pronunciation marks for names and places.

“A personal favorite. With its superb combination of size and legibility, the Concord is an excellent choice for anyone seeking a classic reference King James Bible.”

# KJV TURQUOISE

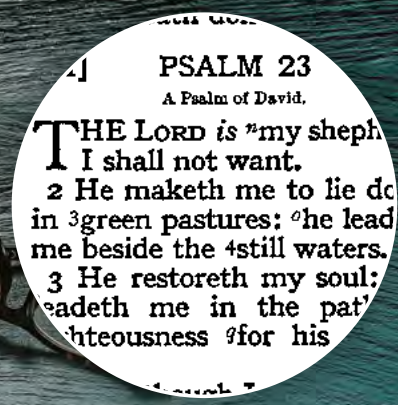

Originally created in the 1920s, the Turquoise Reference Bible is as a superb and well loved example of classic Cambridge typographic design.

The text is presented in a large, bold, traditional typeface making this Bible exceptionally easy to read. The Bible includes the Translators' Preface – their compelling account of the principles underlying the publication of the KJV in 1611.

The large format, superior materials and manufacturing excellence make this a perfect choice as a desk or presentation Bible for those in Christian ministry.

“The large, dark typeface combined with the Indopaque paper is perfect for reading in public, making the Turquoise an excellent preacher’s Bible ... I highly recommend.”

## KJV EMERALD

The Emerald Text Edition is an enlargement of the Royal Brevier – originally created in the mid-twentieth century by Eyre & Spottiswoode, the King's Printer at that time. Its classic simplicity provides the unadorned text of the KJV in a highly accessible form – light enough to carry, but still easy to read. The Emerald Edition would sit well on any bookshelf or pew.

### CHAPTER 1

1 In the beginning God created the earth and the earth was without form, and darkness was upon the face of the deep. And the spirit of God was hovering over the face of the waters.

## REB STANDARD

A practical text edition of this modern English translation. The REB is a complete and thorough revision of the New English Bible before it, building on the strengths of the NEB to produce a rendering accessible to everyone. It avoids technical, over-literary, and traditionally 'religious' expressions and uses inclusive language where both genders were implied in the original texts. The result is an elegant, faithful and fluent translation.

The NRSV Updated Edition is informed by the advances in linguistic and biblical studies since the publication of the New Revised Standard Version in 1989. It incorporates the latest discoveries from the Dead Sea Scrolls.

The Popular Edition comes in hardback and leather, with and without the Apocrypha. It uses the NRSVue British Text, created by a team of publishers based in the United Kingdom.

The text is clear and easy to read, arranged in two columns with running heads and footnotes. There are bold section headings and chapter numbers to break up the text and make it easy to find the Bible passage. The hardbacks are ideal for use in churches and schools and the leather bindings make splendid presentation Bibles.

# LECTERN BIBLES

The Cambridge NRSV and REB Lectern Bibles are enlargements of their text edition equivalents. As a result, the layouts and page numbers are an exact match, making them natural partners for use in church.

Cambridge Lectern Bibles have clear, bold print and a generous page design, of great benefit for public reading. The materials have also been carefully selected for this purpose. The paper is lightly toned for readability and thick enough for the pages to turn easily. Each edition has three ribbons to mark the pages for different Bible readings.

Every Lectern Bible from Cambridge is handmade through an exhaustive process, with a binding that is reinforced for durability. All Lectern Bibles use British spelling and punctuation.

**1** Temptation of Jesus  
**4** Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. For forty days and forty nights, and after he had fasted, he became hungry.  
**3** The tempter came and said to him, "If you are the Son of God, command these stones to become bread."  
**4** But he answered, "It is written, 'One does not live by bread alone, but by every word that comes from the mouth of God.'"  
**5** Then the devil took him to the temple and said, "If you are the Son of God, throw yourself down from here, for it is written, 'He will command his angels concerning you, and they will lift you up in their hands, so that you will not strike your foot against a stone.'"

# APOCRYPHA

*Apocrypha* means 'hidden things'. Written in the period between the Old and New Testaments, these books were not accepted as part of the Bible when the Hebrew canon was set, but are read by Jews and Christians for edification and enlightenment.

The Apocrypha were included in the King James Bible of 1611 and in early Bibles after the Reformation. Martin Luther described them as 'books which are not regarded as equal to the Holy Scriptures, and yet are profitable and good to read'.

Today, the Apocrypha are studied by many as aids and additions to Scripture. Cambridge publishes a range of stand-alone text editions in different versions for people wishing to dig more deeply into these ancient texts.

Translating directly from the Hebrew and Greek scriptures, William Tyndale produced a New Testament that became the foundation of successive Bible translations in English from the 16th century to the present day.

This edition presents Tyndale's 1534 revision, showing the variants from his original 1525 edition. An introduction by Isaac Foot describes the religious and cultural impact of this text and the importance of the revisions.

# BCP-KJV HERITAGE EDITION

The 1662 Book of Common-Prayer and 1611 King James Bible are two of the most significant works in the English language. Between them, they have infused and shaped our language with their words and phrases, enriching both prayer and the language of everyday life.

This edition binds together both Bible and Prayer Book in one easy volume: Prayer Book at the front and Bible at the back.

**O**UR Father, who art in heaven, hallowed be thy Name. Thy Kingdom come, thy will be done, in earth as it is in heaven. Give us this day our daily bread. And lead us not into temptation, but deliver us from evil. *Amen.*

prophet. <sup>53</sup>And every man of his own house.

<sup>8</sup>Jesus went unto the temple, and came into him; and he taught them. <sup>3</sup>And the scribes brought unto him an adulteress; and when they saw that she was caught in adultery; and when they said unto him, 'Moses said in the law, that whosoever is caught in adultery, let her be stoned: what sayest thou unto her?' Jesus answered and said unto them, 'Let him which is without sin be the first to cast a stone at her.' And they departed, and he was left alone. *Amen.*

Cambridge University Press is the oldest Bible publisher in the world, with a unique heritage and tradition that none can match.

The first Cambridge Bible was printed in 1591 – a 'Geneva Bible', the Bible of Shakespeare, Bunyan and the first English settlers of America – and we have been publishing the Bible ever since.

Over four centuries on, we still strive to produce Bibles of the highest quality, in a variety of versions, editions and binding styles.
