A close-up photograph of a person's hands working on a book. The person is using a brush with a wooden handle and a metal ferrule to apply a white substance, likely glue, to the spine of an open book. The book is held open, showing the pages and the spine. The background is blurred, showing a wooden surface and some other books or materials. The text 'CAMBRIDGE BIBLES & PRAYER BOOKS 2026' is overlaid on the left side of the image.

ILLUMINATED GOSPELS

CALLIGRAPHY AND ILLUMINATION BY JANE SULLIVAN

Exquisite fine art editions of the Gospels of St John and St Matthew, illuminated by artist-calligrapher Jane Sullivan. Inspired by Celtic art and the beautiful illuminated manuscripts of the Middle Ages, these Gospels are prayerful and sometimes playful pieces of art as well as unique presentations of the sacred words of Scripture.

Following the majestic King James Version, the Gospels are beautifully handwritten in traditional calligraphic script, richly illuminated throughout with original illustrations.

Every page is lavishly illustrated and represents a display of reverence for the text. As a 21st-century artist, Jane Sullivan brings together the medieval and the modern, using high-quality gouaches, inks and paper, to create the finished artwork, which is carefully printed on premium wove paper.

The result is books to delight both eye and soul, inviting readers to engage afresh with the Gospels and their message.

FEATURES INCLUDE:

Illustrations on every page | Sewn binding

THE CAMBRIDGE FAMILY CHRONICLE BIBLE

WITH ILLUSTRATIONS BY GUSTAVE DORÉ

The Cambridge Family Chronicle Bible has been designed and produced as a Bible to enjoy for generations. It combines the best typographic design with the highest standards of printing and bookbinding.

The majestic text of the King James Bible is presented in a typesetting inspired by the legendary Baskerville Bible of 1763, and the words of Scripture are brought to life with over 200 engravings by Gustave Doré.

Drawing on the glories of the past, but also looking to the future, this Bible incorporates a unique 14-page Family Chronicle section, allowing owners to tell their family story to future generations just as their ancestors did in days gone by.

The Bible is printed on paper chosen for its strength and durability, and is bound in a choice of cloth and superior leathers. These large volumes are bound by hand, making them exceptionally strong and resilient. The leather Bibles pay tribute to traditional bookbinding style, with ornate tooling on the covers and raised spine hubs. The cloth Bible has a contemporary look, with dramatic metallic foil blocking.

*1 The preaching of John the Baptist
7 and rebuketh the Pharisees*

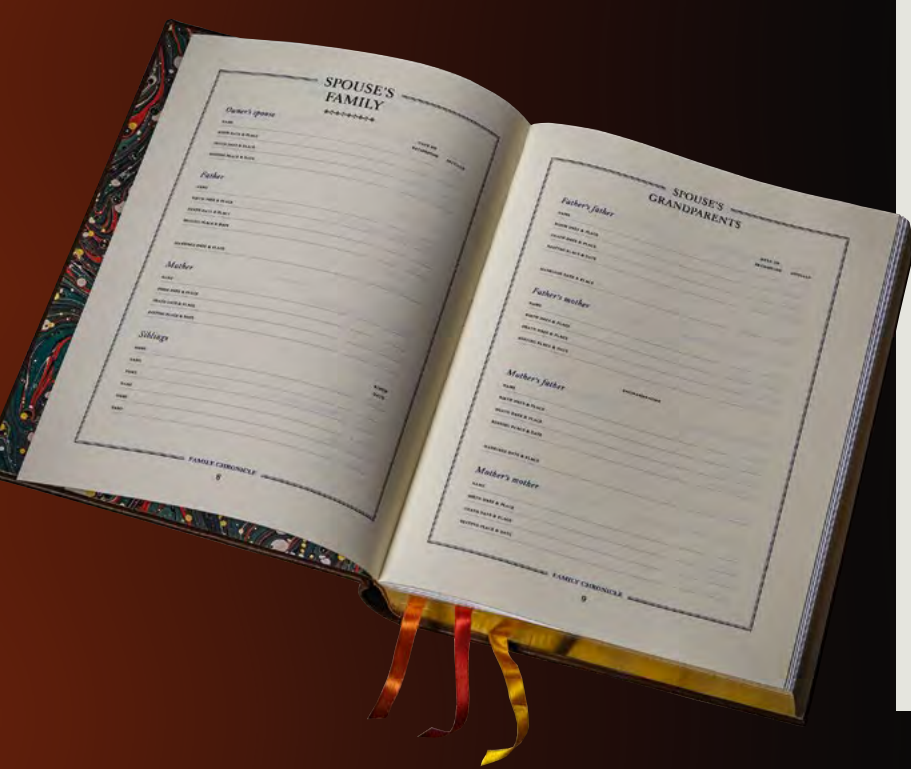

3 IN THOSE DAYS came John the Baptist preaching in the wilderness, saying, Repent ye: for the kingdom of heaven is at hand. ³For this is he that was spoken of by the prophet Esaias, saying, Who was sitting in the wilderness, saying, I will call upon the Lord, make him hear me.

“The Family Chronicle Bible has real WOW factor! My jaw dropped when I first saw it and it continues to amaze me each time I open it. The combination of luxurious quality and timeless elegance will stand this edition in good stead as it inevitably gets handed down to subsequent generations to treasure.”

MARK DRYDEN, BURTON BIBLES,
WWW.BURTONBIBLES.COM

PITT MINION

Cambridge's original Pitt Minion Bible was published in the 1930s. It pioneered the use of Times Semi-Bold 421, a typeface designed by Stanley Morison, typographical consultant to Cambridge University Press and to *The Times* newspaper. He understood the need for Bibles to be printed in type that was legible, yet not so large as to make the finished book unwieldy.

Achieving this balance is just as important today: our contemporary Pitt Minion Bibles take their inspiration from the original edition and are greatly admired for being compact and portable, yet still easy to read. They use a digital font, Lexicon, that is efficient at fitting a lot of words into a limited space, yet also exhibits many of the qualities of traditional Bible typefaces. In this way, the Pitt Minion cleverly combines practicality with fine design and elegant form. Slim though it is, it provides a range of study tools.

The distinctive Pitt Minion design takes its name from the Pitt Building, built to house the Press and named after British Prime Minister and Member of Parliament for Cambridge University, William Pitt the Younger (1759–1806). *Minion* is a traditional term for a type size of approximately 7 point, giving text of 10–11 lines to the inch.

FEATURES INCLUDE:

Paragraph format | Cross-references | Concordance | 15 colour maps | Presentation page
India-style paper | Smyth-sewn | Black or red-letter text

“ If you want a highly portable reference Bible, the Cambridge Pitt Minion is in a class by itself. ”

DIADEM

THE UNFADING CROWN

First published in the English Standard Version, the Diadem is an enlargement of the classic Pitt Minion Edition, widely admired for its fine combination of readable text and efficient use of space. The beautiful Lexicon font retains the elegance of traditional Bible lettering, while offering the clarity of reading provided by modern fonts. The text is arranged in paragraph format and supported by centre-column cross-references, an extensive concordance, and 15 colour maps.

...ed his name Jesus.

The Visit of the Wise Men

2 Now ^hafter Jesus was born, ⁱthem of Judea ^jin the days of the king, behold, wise men ^kfrom the east came to Jerusalem, ^lsaying, "Where is he who has been born ^mking of the Jews? For we saw ⁿhis star when it appeared, and have come to ^oworship him." Herod the king heard this, he was troubled, and all Jerusalem with him, assembling all the chief scribes and Pharisees of the people, he asked them where ^pthe Christ was born. They told him, "In Bethlehem of Judaea."

AQUILA

WIDE-MARGIN

Named after the high and mighty eagle, the Aquila Wide-Margin Edition has extra-wide margins so owners can record their insights and understanding next to the Bible verses. There is a section of ruled paper at the back for more detailed notes.

The paper is heavier than standard Bible paper and is designed for writing on.

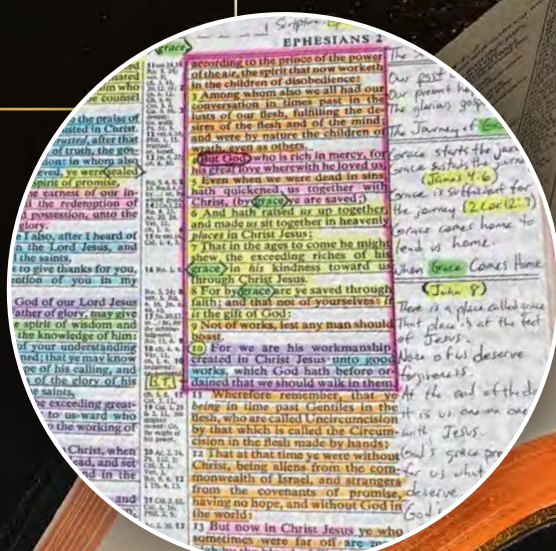

The Aquila family of wide-margin Bibles comes in a range of contemporary Bible translations. The layout is an enlargement of the one used in the Cambridge Pitt Minion Edition so the wide-margin Bibles have the same layout and pagination but slightly larger text and they have the bonus of an expanded concordance to support advanced bible study.

CLARION

CREATED FOR CLARITY

The Cambridge Clarion takes its name from the medieval war trumpet, renowned for its clear and compelling call to arms. The word Clarion derives from the Latin *clarus*, meaning clear.

Every feature has been carefully designed to create a reading experience of exceptional clarity. Unlike standard Bible formats, the text is not divided into columns but runs right across the page, with cross-references in the outer margin. Rather than starting every verse on a new line, the Clarion sets the text in paragraph format to enhance readability.

The text employs a modern digital font which is clear and easy to read. This, combined with generous line spacing, delivers excellent legibility.

The size of print and lightweight paper mean this Bible is compact and easy to carry.

Using the highest quality materials, these Bibles are printed on India-style paper, and are fully sewn, making them not only beautifully flexible, but also resilient. They are offered in a range of superior binding styles.

“ A classically-proportioned single-column text setting with elegant, timeless typography in a hand-sized form factor, beautifully printed and bound. ”

TOPAZ

SCRIPTURE RESET

The Cambridge Topaz setting echoes the beauty and clarity of classic Cambridge Bible settings of the past. Traditionally named after a precious stone, the Topaz answers the call for a larger format reference Bible of the highest quality in contemporary translations.

Designed for private study and public reading, the Topaz Edition is set in a comfortable print size and features an extensive concordance, comprehensive maps and an attractive family record section. The words of Christ are in red-letter text as are the chapter and verse numbers, to aid navigation. The edition includes an elegant presentation page, making it an ideal gift.

The sleek and contemporary design of the Topaz is carefully printed on the finest India-style paper, and individually hand-bound using traditional binding techniques. Featuring premium goatskin leathers, including edge-lined styles, the Topaz is presented in a choice of colours.

▶ Large-format, double-column reference Bible carefully

printed on the finest India-style paper

- ▶ Comfortable text size
- ▶ Verse by verse format
- ▶ Chapter and verse numbers in red
- ▶ A sleek and contemporary design

FEATURES INCLUDE:

KJV CAMEO

Cambridge has been publishing the Cameo Bible for a hundred years. First produced in 1925 for letterpress printing, the Cameo has consistently been our most popular edition, highly esteemed for its elegant Petit Medieval Clarendon typeface as well as for useful features such as pronunciation marks, cross-references and a concordance.

The beauty of the Cameo is its solution to the age-old dilemma of providing readable type in a book of manageable size.

FEATURES INCLUDE:

Verse-by-verse format | Cross-references | Concordance | 15 colour maps
Pronunciation marks | Presentation page | India-style paper | Smyth-sewn | Red-letter text

KING JAMES VERSION

Page size: H 7 W 4 1/4 inches | H 177 W 123 mm

-----------	-----------------------	-------------------	----------------------

The Cameo Centenary Edition is bound in a full-grain calfskin cover, edge-lined with a full yapp.

The leather used for this Bible is the epitome of premium leather. Each hide is carefully tanned and dyed using a traditional vegetable tanning process which shows off the natural characteristics of the material. As such, every book cover is unique. Over time and with use, the leather gradually reflects the effects of its environment and the handling it undergoes. This is characterised by the development of a unique vintage patterning and 'feel' which blend with the dye and the grain of the hide.

“ It is hard to conceive that a Bible of so convenient a size, thin and lightweight, could be produced with such beautiful print. ”

KJV CONCORD

The KJV Concord Reference Edition is highly regarded for its accuracy and clarity. It has been a popular and well loved setting for over 70 years on account of its classic and bold typography and helpful cross-reference system. Timeless and universal, it is one of our longest continually produced Bibles, giving newer generations the chance to own this esteemed edition.

This is a facsimile of the first Concord Bibles which date from the 1950s. Just like them, this edition uses the Times Semi-bold typeface, designed by the typographer Stanley Morison. This text is exceptionally clear and easy to read, with generous line spacing and the Concord also features pronunciation marks for names and places.

“A personal favorite. With its superb combination of size and legibility, the Concord is an excellent choice for anyone seeking a classic reference King James Bible.”

SKY CLINE, EVANGELICALBIBLE.COM

KJV TURQUOISE

Originally created in the 1920s, the Turquoise Reference Bible is as a superb and well loved example of classic Cambridge typographic design.

The text is presented in a large, bold, traditional typeface making this Bible exceptionally easy to read. The Bible includes the Translators' Preface – their compelling account of the principles underlying the publication of the KJV in 1611.

The large format, superior materials and manufacturing excellence make this a perfect choice as a desk or presentation Bible for those in Christian ministry.

“The large, dark typeface combined with the Indopaque paper is perfect for reading in public, making the Turquoise an excellent preacher’s Bible... I highly recommend.”

KJV WESTMINSTER

Since its first publication in 2012 the KJV Westminster Reference Bible has established a reputation as a top-quality Bible and study tool. Respected for its accuracy and admired for its unique design and convenient size, the edition has found great favour with readers of the King James Version.

Produced originally by the Trinitarian Bible Society, the Westminster Reference Bible contains a wealth of study aids including side-column references, chapter summaries, a glossary, a concordance, maps and a user guide. It also includes the Translators' Preface of 1611.

This new edition from Cambridge University Press, the King's Printer, is produced to the highest craft-binding standards. It features an elegant goatskin leather cover finished with raised spine hubs and has a real leather liner. A presentation page and a family record section are included, to allow for personalisation.

FEATURES INCLUDE:

NRSV REFERENCE

The Cambridge NRSV Reference Edition is an excellent Bible for study and is published both with and without the Apocrypha. The cowhide binding is edge lined, making it exceptionally supple, flexible, and robust.

Using the original American text of the NRSV, the Bible text is attractively laid out, with generously sized type and line spacing. There are section headings and translators' footnotes throughout.

“A portable, though non-compact, Bible that is pleasing to read from while also containing the basic necessities for leading or taking part in a Bible study or class.”

TIMOTHY MCCORMICK,
CATHOLIC BIBLES,
WWW.CATHOLICBIBLESBLOG.COM

Love for Enemies

43“*You have heard it said, ‘Love your neighbor and hate your enemy.’⁴³ But I say to you, Love your enemies⁴⁴ and those who persecute you, so that you may be sons⁴⁵ of your Father in heaven. He causes his sun to rise on the evil and the good, and to rain on the righteous and the unrighteous.⁴⁶ If you love those who love you, what reward will you get?⁴⁷ Are not even the tax collectors doing that?*”

TEXT BIBLES

REB STANDARD

A practical text edition of this modern English translation. The REB is a complete and thorough revision of the New English Bible before it, building on the strengths of the NEB to produce a rendering accessible to everyone. It avoids technical, over-literary, and traditionally 'religious' expressions and uses inclusive language where both genders were implied in the original texts. The result is an elegant, faithful and fluent translation.

NRSVue POPULAR

The NRSV Updated Edition is informed by the advances in linguistic and biblical studies since the publication of the New Revised Standard Version in 1989. It incorporates the latest discoveries from the Dead Sea Scrolls.

The Popular Edition comes in hardback and leather, with and without the Apocrypha. It uses the NRSVue British Text, created by a team of publishers based in the United Kingdom.

The text is clear and easy to read, arranged in two columns with running heads and footnotes. There are bold section headings and chapter numbers to break up the text and make it easy to find the Bible passage. The hardbacks are ideal for use in churches and schools and the leather bindings make splendid presentation Bibles.

LECTERN BIBLES

The Cambridge NRSV and REB Lectern Bibles are enlargements of their text edition equivalents. As a result, the layouts and page numbers are an exact match, making them natural partners for use in church.

Cambridge Lectern Bibles have clear, bold print and a generous page design, of great benefit for public reading. The materials have also been carefully selected for this purpose. The paper is lightly toned for readability and thick enough for the pages to turn easily. Each edition has three ribbons to mark the pages for different Bible readings.

Every Lectern Bible from Cambridge is handmade through an exhaustive process, with a binding that is reinforced for durability. All Lectern Bibles use British spelling and punctuation.

LARGE-PRINT BIBLES

KJV LARGE-PRINT

As an enlargement of the Cambridge Cameo text setting from the 1920s, the KJV Large Print Text Edition is clear and easy to read while still being a comfortable size to hold. The text uses a beautiful traditional font set in a generous 10 point and features pronunciation marks for unfamiliar names and archaic words, making it a good choice for reading aloud. Running heads give summaries of page content.

“An extremely readable Bible; it lies flat wonderfully on the desk...it is purely about reading.”

ESV-CE CORNERSTONE

The Cornerstone Bible uses the text of the ESV Catholic Edition, produced by a team of over 80 leading scholars. It includes all 73 books of the Bible accepted by the Roman Catholic Church, in Septuagint order.

The text is printed in a generous size and presented in paragraph format with explanatory notes. It uses British spelling and punctuation.

There is a choice of three quality binding styles: black or burgundy faux leather, and black cowhide leather — finished with gilt edges for a traditional look. The Bibles include a presentation page, family record section and maps.

“This Bible could be a church companion for any Catholics — and not just Catholics — but everyone who sees the value of reading the Deuterocanonical Books.”

NEW TESTAMENTS

ESV CRYSTAL NEW TESTAMENT

The *Crystal New Testament* has been designed to offer a superior reading experience for individuals with dyslexia.

It is the fruit of a unique collaboration between Cambridge University Press, the Danish typesetters 2K, and publisher Sarah Grace. The Grace typeface enhances readability by overcoming the reading challenges posed by dyslexia and other reading conditions.

Drawing on academic and practical research, the **Grace font** has the following characteristics:

- ▶ Paragraphs well spaced out to give the reader breaks
- ▶ Letters weighted to keep them in place, reducing visual stress
- ▶ Similar looking letters adapted so you can tell them apart
- ▶ Single-column format for a more natural reading experience
- ▶ Generous print size, making reading more comfortable

Mary Visits Elizabeth

³⁹In those days Mary arose and went with haste into the hill country, to a town in Judah, ⁴⁰and she entered the house of Zechariah and greeted Elizabeth. ⁴¹And when Elizabeth heard the greeting of Mary, the baby leaped in her womb. And Elizabeth was filled with the Holy Spirit, ⁴²and she exclaimed with a loud cry, "Blessed are you among women, and blessed is the fruit of your womb!"

APOCRYPHA

Apocrypha means 'hidden things.' Written in the period between the Old and New Testaments, these books were not accepted as part of the Bible when the Hebrew canon was set, but are read by Jews and Christians for edification and enlightenment.

The Apocrypha were included in the King James Bible of 1611 and in early Bibles after the Reformation. Martin Luther described them as 'books which are not regarded as equal to the Holy Scriptures, and yet are profitable and good to read.'

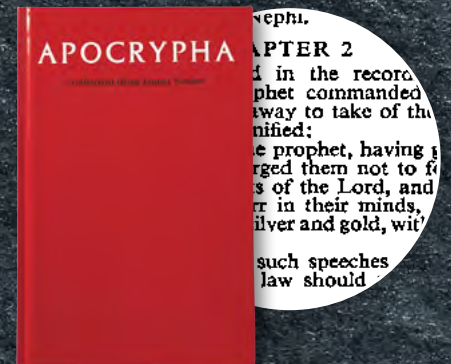

Today, the Apocrypha are studied by many as aids and additions to Scripture. Cambridge publishes a range of stand-alone text editions in different versions for people wishing to dig more deeply into these ancient texts.

KJV APOCRYPHA

This popular and frequently reprinted edition presents the books of the Apocrypha that were included in the KJV of 1611.

FEATURES INCLUDE:

Verse-by-verse format | Book-wove paper

ESV APOCRYPHA

This edition of the ESV Apocrypha includes the same books as the Revised Standard Version Apocrypha: Tobit, 1-4 Maccabees, Wisdom of Solomon, Sirach, Judith, Baruch and Psalm 151, along with the additions to Esther and Daniel. This attractive text edition will be valuable for exploring these texts and enriching understanding of the history and thought of the Jewish people during the centuries leading up to the birth of Christ.

SCHOLARLY EDITIONS

THE GREEK NEW TESTAMENT PRODUCED AT TYNDALE HOUSE, CAMBRIDGE

In this edition, an editorial team of biblical scholars, connected to Tyndale House, Cambridge, have carried out a rigorously philological review, looking afresh at spelling and paragraphing, and integrating recent insights into scribal practices and other advances in New Testament Greek.

FEATURES INCLUDE:

Paragraph format | Textual apparatus | Black-letter text | Book-wove paper

TYNDALE NEW TESTAMENT

Translating directly from the Hebrew and Greek scriptures, William Tyndale produced a New Testament that became the foundation of successive Bible translations in English from the 16th century to the present day.

This edition presents Tyndale's 1534 revision, showing the variants from his original 1525 edition. An introduction by Isaac Foot describes the religious and cultural impact of this text and the importance of the revisions.

AUTHORISED VERSION (KJV OF 1611)

The original text of the 1611 KJV is rarely seen. This edition presents the original text of the first edition, showing its variations from the second edition also printed in 1611. The text is presented in a single column, with notes and references in the margin. The edition includes a list of variations between both 1611 printings.

NEW CAMBRIDGE PARAGRAPH BIBLE

In this ground-breaking edition of the King James Version, David Norton painstakingly collated the established text of the KJV with the Translators' original notes, presenting the text as they intended it, but with consistent modern spelling and punctuation for ease of use. He introduced an innovative new paragraphing system which combined with the single-column format, makes this Bible a joy to read.

1662 BOOK OF COMMON PRAYER

The accession of King Charles III necessitated changes to the 1662 Book of Common Prayer, which has prayers for the King and the Royal Family throughout. We have updated our files in accordance with Royal Warrants. Newly printed prayer books include alterations to the text reflecting King Charles' accession.

BCP STANDARD EDITION

The Standard Edition is ideal for communal worship, small enough to fit in a pocket or bag. The hardbacks are economically priced and sturdy enough for regular congregational use. The white prayer book makes an excellent gift to mark special occasions, bound with a ribbon marker and presented with a set of bookplates in a slipcase.

MARKETING – NORTH AMERICA

biblemktg@cambridge.org

Cambridge University Press is the oldest Bible publisher in the world, with a unique heritage and tradition that none can match.

The first Cambridge Bible was printed in 1591 – a 'Geneva Bible', the Bible of Shakespeare, Bunyan and the first English settlers of America – and we have been publishing the Bible ever since.

Over four centuries on, we still strive to produce Bibles of the highest quality, in a variety of versions, editions and binding styles.
